HIVES ON NECK ITCHED AND BURNED

Unsightly. Spread to Top of Head-Caused Hair to Fall Out in Combfuls. Kept Awake at Night. Cuticura Soap and Ointment Healed.

105 Village St.; Medway, Mass .- "My sister's hives began with intense itching under the skin all around her neck and way up on her head so that she had to keep her hair loosely braided. The breaking out was unsightly and the itching on her neck was so bad she could not keep her hands away from it. Perhaps that is why it spread way up to the top of her head and caused her hair to fall out in combfuls. It also kept her awake at

night. Fiery red spots broke out later that caused much disfigurement and the itching and burning were intense. "After about two weeks suffering she commenced using Cuticura Soap and Ointment. Relief from the burning and itching came very soon and two weeks from that
